

Direct Donations

The Home & School Association's operating budget is in large part funded through fundraising. This allows us to support activities at LGE such as assemblies, author visits and more! It also allows us to host many events for our families such as the Back-to-School Picnic, Breakfast with a Buddy, Books Alive/Book Swap, Family Game Night and Field Day. We spend approximately \$40 per child every year to offer these activities and events.

However, we understand that not all families may be interested in participating in our fundraisers. Families have the option of making a direct monetary donation to support the HSA. As in years past, we continue to rely on your support and 100% family participation to reach our financial goals. We appreciate any amount you are able to contribute!

Please DETACH the bottom portion and return, with your check/cash, to your child's teacher in an envelope marked LGE HSA by Monday, September 17th.**

Thanks for all you do to support the LGE community!
