

## Volunteer Interest Form

We're gearing up for an exciting year for parents and students alike, and we're hoping that everyone will join in to help make this year extra memorable! This year we're working hard to organize more events than ever and will need volunteers. There are opportunities to help before, after and during school hours. We also have administrative volunteer opportunities where you can work from home and still be involved. It truly does take a village, so we're hoping you'll jump in and help when and how it is best for you.

This form will be used to gauge volunteer interest and how you would like to be involved. There will be more specifics to follow. Please fill out the form below and indicate your level of interest. Thank you in advance for all your help. If there are questions regarding volunteering, please contact our volunteer coordinator (see contact info below) or visit our webpage for specifics on volunteer requirements.

Sincerely,  
LGE Home & School Board

---
